

Quarterly Performance Newsletter

Foreword from the PCC Philip Wilkinson

Welcome to my Quarterly Performance newsletter from March to May 2023 where I'll be highlighting some of the projects, initiatives and policing performance that have been delivered over the past few months.

It's been a highly productive quarter as we've seen Wiltshire Police exceed the Government uplift target, the Youth Commission presented their findings from the last two years at the Big Conversation Conference and building work started at the Tidworth site.

During this quarter I have attended a total of 12 public engagements, including Area

Boards and public meetings and appeared in the media 315 times via online, print and broadcast platforms.

All of these highlights have been delivered in line with the priorities set out within my Police and Crime Plan which you helped to shape with your valuable input and engagement during my Use Your Voice consultation.
