From: kwoolnough@tockenhamparishcouncil.gov.uk

To: Frank Ball, Elizabeth Martin

CC: Dkirby, Rita Harris

Hi to you both.

Following my conversation with Frank yesterday. The purchase from the Woodland Trust of 105 tube protectors for the sapling trees which includes stakes and ties would be £350. Postage is free.

Subject to approval at your meeting could I propose that Mr Jim Webb (Lanowner) pays £116 and Tockenham Parish Council and yourselves (Lyneham/Bradenstoke Parish Council) each pay £117.

Having spoken to my PC Chair (Diana Kirby) yesterday we hope to approve this at our March PC Meeting and Mr Webb has verbally agreed to the proposal.

For information the Trees will arrive with a simple spiral protection which would be sufficient in protecting the samplings from small animal's ie Rabbits, however without the tube guards, deer could possibly write off the whole batch.

Hope this meets with your approval.

Kind regards

Kevin Woolnough

Tockenham Parish Council.
