# Local Priorities & Updates

Priority	Update
Graffiti – RWB	We have seen an increase of graffiti in RWB play parks and around the town over the last few weeks. Work has taken place to evidence gather and work with the local town council to establish the scale of the issue. There is ongoing investigative work to establish those responsible and all teams operating out of RWB are focused on high visibility patrols and positive action on receipt of a report.
ASB – Cricklade	We have received reports of ASB and associated criminality in the vicinity of the leisure centre. Work has taken place to target harden the location, work with the leisure centre around CCTV opportunities and also to look at limiting the WiFi coverage to prevent congregations of youths as well as identify those involved. High visibility patrols are also taking place to detect, deter and deny any ASB happening in that area.

The screenshot shows the top navigation bar of the Wiltshire Police website. It features the 'WILTSHIRE POLICE' logo on the left, a search bar with the text 'How can we help you?' and a magnifying glass icon on the right, and a menu with five items: 'Report', 'Tell us about', 'Apply or register', 'Request', and 'Feedback'. Below the navigation bar is a breadcrumb trail: 'Home &gt; About us &gt; CPTs'. The main heading is 'Royal Wootton Bassett Area CPT'. The content area contains three paragraphs: the first describes the CPT's coverage area (Royal Wootton Bassett, Malmesbury, Cricklade, Ashton Keynes and surrounding areas); the second provides contact information for a community-related matter (email: RoyalWoottonBassettAreaCPT@wiltshire.pnn.police.uk, noting the mailbox is not monitored 24/7); the third explains how to report crimes (urgent via 999, non-urgent via 101 or a 'Report a crime here' link). At the bottom, there is a link to a map of crimes in the area, with the text 'You see a map of crimes in the Royal Wootton Bassett area [link] by visiting www.police.uk [link]'.
