## REPORTS FROM WORKING GROUPS & UPDATES FROM COUNCILLORS

### CM21/203 **Flower Beds Working Group**

SG passed on many thanks to volunteers, and a welcome to Julie from Church Farm Mews and thanks to Jenny May and Sue for all their commitment in the past.

Community involvement is scarce due to the many other commitments so many of our residents have and as a parish the time has come to consider outsourcing the maintenance of the flower beds, especially as Lyneham grows with the new housing estate being built and further planters probably being installed, in keeping with the rest of the village.

We are proud of Lyneham and Bradenstoke and welcome the hard work of our volunteers, and they will all be contacted as to their availability in the future

EM will investigate outsourcing the maintenance of the flower beds.

### CM21/204 **Allotment Working Group**

Still a few more allotments to pay for renewal. RG2 will send a list of those who have not received renewal requests.

### CM21/205 **Open Spaces & Play Areas Working Group**

FB updated that the WG is looking at wheelchair access to the noticeboard in Bradenstoke. There are some technical items to be considered such as electric cables running under the pavement.

RoSPA reviews to be discussed at next meeting. There are some known minor repairs to gates that are being planned.

The entrance to Bradenstoke Play Park is being investigated for resurfacing and a parking bollard due to access issues. This is hoped to be solved this year.

### CM21/206 **Neighbourhood Development Plan Update**

NDP was passed and now part of the planning consideration for Wiltshire Council.

FB thanked everyone who has been involved.

It was proposed to add Cllr Jones to the NDP pending a decision on next steps.

Proposed FB. Passed.

**IT WAS RESOLVED THAT the Cllr Ant Jones join the NDP**

Councillors on the NDP: AJ, FB, SG.

- CM21/207 **Royal Wootton Bassett & Cricklade Area Community Safety Forum Update**  
Key points from the Forum were:  
The sale and use of fireworks is controlled by law and is enforced by police and trading standards.  
Fireworks can be used legally up until 11pm on any day of the year, with extension till midnight on Nov 5th and till 1am on New Year's Eve, Chinese New Year and Diwali.  
There is no specific licensing of events involving fireworks by Wiltshire Council, but all large events would require an Event Management Plan.  
A license is required to sell fireworks.
- CM21/208 **Royal Wootton Bassett & Cricklade Area Board**  
No update
- CM21/209 **SID Working Group Update**

- CM21/213 **Community Action Transport Group (CATG)**  
CATG priorities will be discussed at the November meeting.
- CM21/214 **Young People and Families Working Group**  
CC updated the Council on the potential idea of a Skate Park at Bradenstoke The structure of the skatepark would be of heavy-duty concrete slabs which are flexible enough to be re-sited to change the layout of the skate park or removal if required. The size of a small skatepark would be approximately 37 x 11metres.  
The skatepark could be sited in the far corner of the park, near the boundary fences of the solar park and the dog park. This would be away from the lane to cause less noise or inconvenience to the lane area. (a few young trees would need to be removed; these were planted last year).  
With the possibility of the park been used more, it could be beneficial to have car parking facilities.

- CM21/215 **Public Relations and Communications Working Group**  
SG updated that there will be a consultative coffee morning on the 20<sup>th</sup> November between 11am and 2pm at Bradenstoke Village Hall, for Bradenstoke villagers to discuss their thoughts. There will be a similar session held for Lyneham in the near future.
