From: Warren Delicate
To: Frank Ball
CC: Parish Clerk, Antony Jones, Liam Broughton

Good Afternoon All,

My apologies for the late reply, unfortunately I spent the latter part of last week supporting my Mother due to the passing of her father.

I can confirm that I have read and understood the Lyneham and Bradenstoke Parish Council, Co-option of Councillors following an Election or vacancy by other means. Version 1. Adopted on 14th January 2020. Furthermore, I meet the Eligibility to be Considered for Co-option without any of the disqualifications.

A little about myself.

I am a driven professional working within the telecommunications sector. I have worked for, or with, all the major network providers within the UK as a Senior Operations Manager at some point in the past decade. I am currently working for the online retailer AO.com as an Operational Development Manager. I Have a wealth of experience in managing stake holder relationships, strategic planning, budget/ forecasting & project management.

If I were to be successfully appointed to the Council, I would like to use my operational background to aid in the strategic growth of the Lyneham and Bradenstoke Parish to benefit the local economy and make sure the parish is the best possible environment for all that reside here.

Wednesday 17th Feb at 19:00 will be fine for a team's meeting. Please can you arrange for the invite to be sent to me and I look forward to speaking with you.

Regards

Warren Delicate

Good morning,

We are always keen for new members.

I would suggest that you look at <https://www.lynehamandbradenstoke-pc.gov.uk/community/lyneham-and-bradenstoke-parish-council-16223/home/> for the information on council meetings, standing orders and policies.

I will get the Parish clerk to send you the Good councillor guide.

We have a Parish meeting on Tuesday 9th Feb 21 you can view the preceding online(<https://bit.ly/39pQmlm>) this link is on the website under the agenda for each month.
