

Locations for additional Benches on Calne Road

Space 1. Walking down Calne Road - Just before you would turn into Hocketts Close there is a level space set well back from the road and, shielded from the three houses by a hedge, with the pavement and then another grass verge between the proposed site and busy A3102.

I am guessing that the Parish Council would make the residents aware of any proposed seating and the following information may be helpful: Mrs and Mrs W Hancock live at number 1 Hocketts Close, unsure of who lives at number 2, and Mr and Mrs Jackson live at number 3 Hocketts Close.

Space 2. Just before the turning to Church Farm Mews - between Church Farm and The Stables there is a space which we feel would be most suitable and again would be set well back from the road.

These properties are owned by Rev. Jonathan Beach and Mrs S Beach and they live at Church Farm.
