

Bradenstoke Market Cross/War Memorial

Lyneham and Bradenstoke Parish Council working group:

Cllr F Ball
Cllr S Green
Cllr R Glover
Cllr R Gill
Mr Dennis Golding (resident)
Stevie Palmer (resident)

Update: 15th March 2021

We are now corresponding with Historic England re restoration of the Bradenstoke Market Cross/War Memorial.

Historic England and Rob Fleming are currently in discussion re the cleaning process as Historic England feel we may not need permission from the Dept of Culture, Media and Sport (CMS) for the cleaning to be carried out.

Once the cleaning has been completed, Rob Fleming will inspect the monument, compile a report and costing for the Parish Council to discuss.

We have the relevant forms to complete to submit to Dept of CMS when we are ready to go ahead.

Update: 16th March 2021

Costing for cleaning monument is £350 + vat.

Awaiting decision on the cleaning process from Historic England.

I am arranging for Dennis and myself to meet Rob Fleming on Thursday to view the monument. This will give Rob an opportunity to begin a project plan.

Stevie Palmer
