Hi Elizabeth,
Labour and fixings for the proposed fence is £800, plus Frank's costings for materials,
The tree is possibly to big a job for me, and would not able to be done until it dries up a lot,
Likewise the hedge at the allotments cannot be done until it dries up, we can't anywhere near it to take the
cuttings out
Regards Kevin

Hi Kevin,

Happy New Year! I am writing to follow-up on a few items please for the Villages.

1. Please find attached the outline from Frank Ball about the fence for the wildflower garden and putting in a low fence around the area. I wondered if you would have a look and please come back to me with a quote or queries so that we can get a quote sorted.
2. Bradenstoke – there is a tree that is not in good health and could be a risk. Do you remove trees and if so, may I have a quote for removal please. Pictures attached
3. Do we have an idea of when the hedge in the allotment site is due to be completed. I am being asked.

Many thanks,

bw
Elizabeth
