Has other work of a similar nature taken place with 100m of the site?

Yes, several properties have had extensions and conservatories.

Are there material grounds for objecting to this application?

No

Observations/Recommendations for consideration by the Parish Council

The Parish has previously SUPPORT an almost identical application, we had stipulated that:

1. That the shape and size does not exceed permitted development guidelines.
2. That the height does not exceed the height of the current conservatory, within permitted development guidelines.
3. That all brick and blockwork match the existing main building

This is a new application to allow the change of roof tiles from Lightweight tiles to Lightweight premium composite roof slate in pewter grey.
