

Parish/Community Engagement 2021

1. Proposal

To hold a Parish/Community Engagement day or days sometime in Q1/Q2 2021.

2. Rational

As members of the Parish Council has significantly changed within the last 6-9 months, the Covid crisis has made it almost impossible to continue with community initiatives, and for the Parish Council to be visible; it is felt that once the current Covid restrictions are sufficiently relaxed, that we as a community and as a Parish Council should look at all ways to kick start such community projects and encourage residents to be more involved in community and Parish Council initiatives.

3. Objectives

- To re-ignite community involvement, initiatives, and spirit post COVID 19.
- To introduce the current Parish Council members and their roles in the council
- To provide opportunities for residents to meet their Parish Councillors and for the Councillors to meet residents, and to hear their priorities for the parish in a none-formal setting.

4. When

Subject to lifting of Covid 19 restrictions – March/April 2021.

Alternatively – June/July 2021

5. Who

Organisation Team: Suggest 2 x Parish Councillors & 2 x Community Volunteers

Talks By: Parish Councillors, volunteer/initiative group leads

Invite To: All residents of L&B Parish, MOD Lyneham representative, Police Representative, Allison Bucknall, others TBD

6. Budget Provisions

Assuming two events, it is estimated that the cost will not exceed £500
