Local

Road Works

People are now able to view roadworks on the One Network system. This also allows for traffic alerts to be set up and delivered to people's email addresses so is worth signing up for if you are a regular traveler!

Missing Post Box - Bradenstoke Junction

I have received confirmation that the post box should be installed within the next 16 weeks however I noticed that there was a new location for the post box adjacent to the entrance to Lillybrook Estate. This has met with some consternation from local residents and the owners of Lillybrook Estate have stated that they are not happy with the new location. I have reported this back to Royal Mail and am awaiting confirmation of their next move.

Youth

Following work with the Rise Trust there are no current plans from the Area Board to provide additional sessions within Lyneham Area. Amy Dallimore is currently providing a range of activities and sessions through her MoD role. There is currently no Youth Forum in the parish – this might be something for the Parish council to consider in due course.

Chippenham Road area.

White Hart Car park area:

I have been contacted by a resident who is concerned about cars parked at The White Hart. I can confirm that this is a temporary business arrangement.

The Planning application has still not been determined.

Greenfields extension:

Still awaiting discharge of conditions following the contamination reports which have been submitted to Wiltshire Council. Work on site will hopefully start end of May.

Lyneham Village Hall

The Village Hall was awarded a £5000 grant from Wiltshire Council Royal Wootton Bassett & Cricklade Area Board.

Bradenstoke Solar Farm Community Benefit Fund

Details of all grants can be found on the website

<https://www.bradenstokesolarfund.org/>

If anybody knows of any worthy projects, do please let Frank Ball or me know.

Planning

Wiltshire Council's new planning system is now up and running.

MoD /DIO Notice to quit for private tenants

The MoD has extended contracts to March 2020. Wiltshire Council will not be taking on any properties in Lyneham and are still working with other Housing Associations to see if there is a possibility of any of them taking on houses. The houses have not yet been handed back to Annington Properties Limited.

We Honour Those Who Serve.

March 16th marks the tenth anniversary of the announcement the Queen was going to bestow a Royal title to the town of Wootton Bassett. The Town Council will be marking the actual day in October, however we must not this would not have happened were it not for RAF Lyneham and the part that the villagers here played.

I have set up a Facebook Page <https://www.facebook.com/WeHonourThoseWhoServe/> to collate memories of that period. Anybody is welcome to contribute.

The local clergy are also talking with MoD Lyneham about a commemoration later this year.

THANK YOU

As this is the final Parish Council meeting before the elections, I would like to thank all of the Parish Councillors who have served over the past four years.

Being a Parish Councillor can be both a rewarding and a thankless task, and I admire all of you.

As Lyneham and Bradenstoke Parish Council Election is uncontested, you already know who your successful candidates will be after May 6th.

Hopefully the electorate will renew their faith in me and I will be back with you following the elections to carry on serving the residents of Lyneham and Bradenstoke.
