These are application that Wiltshire Council, the Planning Inspectorate or the Secretary of State have yet to make a decision.

20/07453/FUL

Land to the rear of the White Hart Inn, Chippenham Road, Lyneham, SN15 4PB
Erection of a 7 dwellings and associated works

[The Council would like to be assured that a comprehensive and workable drainage mitigation plan is completed and in place prior to authorisation of the application. to prevent chemicals and other contaminants entering the gullies and damaging the registered green.

The Council is concerned about the safety aspects of the road coming from the car park coming onto the Calne Road. Is there a suitable road safety plan in place or being considered for the completion of the project? The Council would ask Wiltshire to require a traffic management plan for the period of construction and a final traffic/road plan for road safety for the permanent works.

It is essential that the trees are retained and looked after during and through the build. There are several preservation orders in place for trees on the Green. The Council would ask that these are acknowledged and respected throughout the build.

There is a concern that the development is a mix of residential and office development. The Council would ask that the reasoning for the mix of property be formally acknowledged.]

[APP/Y3940/W/20/325 3204](#) – Application Appeal – Not Yet Decided.
