Hello Hilary,

I'm so sorry. I should have sent this yesterday but was sidetracked with other things happening. The Parish Council supported it, with some observations:

- That the same materials as the existing house should be used
- That no builders skips are left on the road because there is plenty of room at the front of the house and in the rear garden to accommodate this.

Not sure that the latter can be used as an observation? I've copied this email to the members of our Planning Committee who dealt with it. Many apologies again. I'll try to do better next time!

Kind regards

Ann Kingdon

Hello Hilary,

I can't see any reason why I can't do that, unless there is any difficulty at the Parish Council meeting.

Kind regards

Good Morning Ann,

If the meeting is on the evening of 14th January, please can I have the PC response on the 15th? If a response comes in late that week, I only have until the following Tuesday to incorporate the PC opinions.

Many thanks

Hello Robin,

Re: Planning Application Number 19/11513/FUL

I've been asked by the Parish Council to request a short extension of time to respond to this planning application. We have a Parish Council meeting on 14th January 2020 and need any comments to be approved at this meeting. If we could have an extension to 17th January 2020 that would be very useful.

Many thanks

Kind regards
