Dear Clerk & Parish Councillors

At last – as from November 1st, Lyneham Village Hall will be open and ready for business.

We were first closed because the roof needed to be replaced due to the tiles de-laminating. At that time, we had a full survey of the property done. We formulated a five-year plan knowing that we would need this in order to acquire grants for this essential work.

Grants were secured thankfully and work was planned to start this August. Having been closed due to Covid we had hoped to open in April for a while before work started but just before opening, we had a burst pipe which caused flood damage to the kitchen and hall floor.

However, all is well now – the roof is completed, we have a newly refurbished kitchen, new flooring in the toilets and passages as well as a resurfaced main hall floor.

We have also had new curtains for the stage area and have had an audio amplifier and hearing loop along with projector and electronic screen fitted with access to Wifi.

Without grant funding none of this would have been possible so the committee would like to celebrate our long-awaited opening and say a much-appreciated thank you to those who have helped with grant funding, building and bearing with us during this long closure.

Please come and join us for tea and cake on the afternoon of December 3rd at 2pm so, we can show our gratitude.

Please reply to Jane Ball by e mail – (as above)

Yours sincerely

Wilma & The Village Hall Committee
