

Agenda Item 10

The Clerk's SLCC (The Society of Local Council Clerks) membership is usually paid by the Parish Council (90% of Councils in England do this) and in the most part this is implied by the Contract. The membership is due for renewal in February. The SLCC is the Clerk's version of NALC (National Association of Local Councils) and provides training, advice, etc to the Clerks. This membership is invaluable.

The membership rate is based on the Clerk's Salary. If I only worked for Lyneham it would be £185 annually.

But my whole cumulative salary is used and therefore the membership fee is £208. I propose that, if all three Councils are willing to continue to support the Clerk's SLCC membership on expenses then the payment should be shared pro-rata. Therefore, bringing the total for Lyneham and Bradenstoke to pay £106.89 in 2021-22.
