

# Registration of Births and Deaths

## All Birth Registrations Suspended

**Due to the current COVID-19 situation all birth registrations have been suspended for the foreseeable future.**

## Death Registrations

**Due to the current COVID-19 (Coronavirus) situation we are currently only offering telephone death registration appointments.**

People must book an appointment by telephoning **0300 003 4569**. The customer services officer will book them an appointment slot and they will need to be available for one hour from the start time of that appointment for the Registrar to contact them to conduct the registration.
