The Lyneham Methodist community hall hosts various people, groups and organisations from Lyneham and Bradenstoke. Our current front doors have been in place over 25 years and they have now started to fail which has meant that we can't open or close them if the weather is not quite perfect! This have led to groups having to be cancelled at short notice as the building cannot be accessed. We have used DL Windows in Calne for our quotation. They are a trusted and well used contractor for the North Wiltshire Methodist circuit and have agreed to give our doors some priority because of the urgency of not being able to open the doors every time.

£3000.60

## more than the grant, how will the residue be financed? \*

There has just been an upgrade to the halls heating system which has used up the money from recent fundraising. As this work is urgent, we have applied to the Bristol Methodist District for an Eco grant of £1500 and to the North Wiltshire Methodist Circuit for £500 and to underwrite the project until we can obtain more funds from fundraising or alternative grants.

40-50

## 16. What financial information have you included? \*

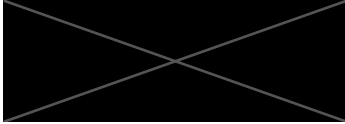

Financial yearly accounts up until end of August 2024. Since they were issued, we have spent over £3000 to replace radiators and improve the heating system which has meant we are well into our reserves. We will continue to fundraise to help replace funds.
