

Royal Wootton Bassett & Cricklade Area Board

Community Safety Forum Notes – 12th February 2021

Meeting chaired by Cllr Allison Bucknell
Notes by Cllr Allison Bucknell

Agenda

1. Welcome and intros
2. Policing during COVID
3. DWFRS update
4. Local police priorities
5. Community issues

Policing During Covid/ Priorities (Kate Smith & Doug Downing)

1. County Lines.

This is organised criminality targeting vulnerable people. Using young people to push and peddle illegal substances, or cuckooing of older adults. Not significant in the RWB area but being tackled robustly via operation FORTITUDE. Multi-agency approach, including warrants and children being taken into foster care if necessary to protect them

2. Speeding in the Community

Seen an increase in speeding during pandemic. Currently supporting CSW and also physical presence at roadside. Still prefer education to penalty, however will issue Fixed Penalty Notices/ prosecute

3. COVID Controls

Broader – crime down at an all time low due to Lockdown 3 and seasonality. ASB/Burglary and Violence against the Person all down which releases some resource for other work.

Unfortunately cyber crime is up, including Banking Fraud and identity theft. Once again focussing on Crime Prevention and Education.

A Cybercrime update to be included at a future meeting.

A survey is being circulated by Police Corporate Comms – please complete it!

DWFRS update

No DWFRS representative present

Community Issues Roundup

Representing...	Present?	Name	Issue
Purton	✓	Cllr Jim Reid	ASB at Skatepark being addressed. Looking at starting up Neighbourhood Watch scheme. KS – there are increased police patrols and there will be a student police officer in Purton soon
Braydon			
Broad Town		Clerk Emna Diamant	
Clyffe Pypard	✓	Cllr John Hughes	Would like a short (150word) article on cyber crime for newsletters please
Cricklade	✓	Cllr Angela Jensen	Thanks for the increased foot patrols in Cricklade, they are going down well (KS – the team is really enjoying being out on foot)
Latton	✓	Cllr Kevin Johnson	Speeding, Speeding, Speeding. 1 car doing 76mph in 30mph zone in broad daylight. Tried everything. CSW ready to go but stopped due to Covid.

Royal Wootton Bassett & Cricklade Area Board

Community Safety Forum Notes – 12th February 2021

			Also – plagued with cycling events with no consultation. Police are consulted on these events, can they let the parish know? KS to check

DWFRS		Station Mgr Phil Peaple	
Youth	✓	Cllr Sue Hughes	Comment work on Fortitude Thanks for work on Speeding Noremars Rd Concerned about YP online security, cloning of IDs
Police	✓	Insp Doug Downing	
	✓	Sgt Kate Smith	

Speeding Issues discussed

Different areas are adopting different approaches but there is scope for collaboration.

Automatic Number Plate Recognition (ANPR) Speed Indicator Devices (SIDs) have been purchased elsewhere in the county, but are not yet supported by the police. The data is not accredited and concerns over GDPR.

Police preference is to prevent speeding rather than penalise.

KS explained that the police are looking at a new approach which will involve targeting a village for a week at a time. The scheme for prioritisation has not yet been agreed. It was also suggested that local residents could help with pinpointing the best times to attend. SID data could be useful to help narrow down times where speeding occurs most.

Agreed to set up a special Speeding Subgroup.

Reporting issues

* Emergency calls as normal to 999. Non-emergency to 111 or report on line.

Royal Wootton Bassett & Cricklade Area Board Community Safety Forum Notes – 12th February 2021

If you want to alert police beforehand to a potential issue then let Kate Smith know.
Kate Smith's email address is **Katharine.Smith@wiltshire.pnn.police.uk**

ACTIONS

1. Set up separate Speeding Subgroup
2. Invite the Policing in the Community "Watch scheme" officer to next meeting
3. Set up session on Cybercrime – next meeting?
