Dear Elizabeth,

Could you please advise if the specification of the proposed bench upgrade is suitable and acceptable to the council. Once you are happy please advise Steele Davis to proceed.

Thank you and best regards,

Mike

Hi Mike

Lead time would be about 2 weeks as we need to order in the Hardwood.

Hi Michael,

Many thanks for your response.

Assuming this specification of work is acceptable to the Council when could the work be scheduled?

Also, we are still be arranging for a commemorative plate for the bench; would you be OK to install this please.

Regards,

Mike Ainsworth

Hi Elizabeth,

Sorry I have missed you but your emails for some reason have gone into my junk folder.

As our conversation the plan for the works is as follows.

1. Remove the existing timber and dispose.
2. Remove the existing loose paint from the metal frame and apply a base coat to receive the black Hammerite smooth metal paint system.
<https://www.hammerite.co.uk/product/direct-to-galvanised-metal-paint/>
3. Replace timber slats with new hardwood to match existing and treat with 3 coats of
<https://www.ronseal.com/for-garden/garden-furniture/furniture-stain/ultimate-protection-hardwood-garden-furniture-stain/>

As the existing beach is concreted in place we intend to undertake the works with the beach being left in place.

Dear Mike,

I wanted to let you know that I am waiting for an email from Steel Davis with an outline of

the work spec. for the Councils records re: bench on the Green. Once I have this, the work can be organised with a date.

I have emailed Michael Gingell a few times and rang him last week. I know they are very busy at the moment but I am also aware that you have been waiting since last March for this bench to be agreed.

I thought maybe a courtesy email to you that there is a delay on behalf of the contractor would be useful should you wish to follow up with them to see if they have a better time-line for you.

Please let me know if you would like me to do anything to help.
