Update for Lyneham and Bradenstoke Parish Council September 2025

Local Highway and Footway Improvement Group (LHFIG).

At the May LHFIG meeting, Lyneham's scheme for traffic calming and crossing improvements in Preston Lane was selected as a priority scheme for further assessment and investigation. At the meeting on August 27th, an update was given that a report with suggestions for discussion should be available for the next meeting.

Next meeting **Wednesday 12th November 2025 1800 via Teams**

Area Boards Meeting

The next Area Board meeting will be on September 24th 2025 in RWB Town Council offices.

Community Safety Forum

No decision has yet been made as to whether or not these will continue

Preston Lane Footway

The state of the footway adjacent to Comet Close has been raised again by local resident. This has been submitted as a scheme for future repairs, unfortunately I do not have a date as yet.

Lyneham Banks

The speed and weight limit review of the roads around Lyneham Banks are being assessed and an initial report is anticipated mid September. This will be discussed with local members first before going out to the wider public.

B4069 Lyneham Banks - Wiltshire Council

I have also been contacted by a number of residents reference the static caravan that has appeared on the Bungalow site. An email has been sent to the parish council outlining the current situation. Planning permission was granted on 15th July 2019 for ' Demolition of existing dwelling, garage, workshop and erection of detached two storey dwelling, garage with associated works.' The existing dwelling was demolished, which implemented that permission. Under Permitted Development rights, a temporary home can be placed on site whilst building works are underway. At present there are no such works, but there is an enforcement appeal pending so until this is determined, no further action will be taken.

Missing poo bin – Bradenstoke

The missing poo bin has been replaced by a new floor standing bin

Gypsy and Traveller Development Plan

Officers are working through the latest set of comments sent in. No date for the update to go to committee yet.

Update on Wiltshire Local Plan Review examination

This process is ongoing, to keep up to date on the examination please visit Wiltshire Local Plan Examination

Road Safety - Lyneham Primary School

No further update.
White lines have been refreshed on the speed humps on Preston Lane.
Talks continue regarding any future safety improvements via LHFIG.

Road Safety – Chippenham Road, and Bradenstoke Junction

I am awaiting the outcome of the local road speed limit review to see what is recommended for this area.

Development

Clack Hill Yard

The discharge of conditions has been approved. Local residents are not happy with this decision and are considering next moves.

Planning Application - PL/2024/03561

26/8/25 – amended plans have been received

Land Adjacent to St Mary's Close and to the South of Hollow Way, Bradenstoke

I have “called in” this application (ie asked for it to be determined at committee) should officers be minded to grant permission.

Lyneham Fields Development

Still no resolution on most of the outstanding actions. The speed limit changes at Southview have had to be re-advertised as they had not been implemented within the relevant period.

There are a number of outstanding issues about which residents are unhappy and I am chasing these up with Vistry.
One of my main concerns is that the road safety improvements on the A3102 have not been completed yet and there is no information as to when this will happen.

Work has commenced on phase II of development.

Green Farm

Work has commenced.
Tiger Moth Fields – New homes in Lyneham | Bellway Homes

Land to the rear of Lancaster Square

This application has now been submitted and is out for consultation. I have requested that the application comes to committee for a decision.
