Lillybrook Residential Home Estate, Lyneham, Chippenham, SN15 4AA

Proposal

Change of Use of Land for Siting of 14 Mobile Residential Homes, Garages and Associated Site Works

Council Response

Object

The Lillybrook site has grown since 1992 which is positive. Latest application pushes the boundaries to within 150m of Bradenstoke and is eroding the Green Space. The development is more than the recommendation and will stretch local resources, including the NHS and Water provision The price of the houses are above the reasonable limit of affordable housing Extra strain on Bradenstoke junction from additional cars from the site. The application describes Lillybrook as a “small village” but there are no services provided by Lillybrook, and the local villages will absorb the impact. It was also felt that there were enough

houses in the two villages and additional homes are not needed at this time.

Approve With Conditions
